

**Jonah Rossett**

(He/Him)

Philadelphia, PA | jonahrossett@gmail.com | 914-815-8891

A creative problem solver with a passion for fusing art and functionality to make the world a more beautiful, purposeful place. Enthusiastic about designing spaces that inspire people to grow, adapt, and engage more deeply with their environment.

## EXPERIENCE

### **Drafter / Designer / Office Manager**

Summer 2022 – Present

John Rais Studios – Philadelphia, PA

- Design, develop, estimating & material orders for residential and commercial projects using Fusion 360, Revit, AutoCAD, Rhino & Adobe Suite; notable clients include The Bellevue Hotel and Woodmere Art Museum
- Streamline business operations and manage daily scheduling to support studio efficiency.
- Designed and implemented the studio's e-commerce website to enhance digital presence and sales.

### **Interior Design Intern**

September 2023 – March 2024

Jagr Projects – Glenside, PA

- Integrated Revit into the design process to enhance spatial exploration and 3D visualization.
- Developed high-quality renderings and models that supported concept presentations for residential renovations.
- Refined workflow strategies to balance creativity with efficiency and meet project timelines.
- Created rapid prototypes and design studies to test materials, layouts, and spatial concepts in real time.

### **Metal Fabricator Intern**

Summer 2021

Sultz Fabrication - Dobbs Ferry, NY

- Welded (Tig/Mig/Stick) and performed abrasive work on brass and stainless steel

### **Interior Design Intern**

Summer 2021

Warzy LLC - Dobbs Ferry, NY

- Drafted architectural blueprints using AutoCAD, created rapid prototyping and participated in client meetings
